

Welcome Letter

Dear ESPCR Member,

Enclosed please find your renewal form for 2008 membership with the European Society for Pigment Cell Research.

In order to keep our Society active and productive, the continuous support of the membership is vital. Therefore, prompt payment of fees will be very much appreciated and it will help us in the running of the Society and in reducing our work in chasing Members who may have forgotten to renew their memberships.

We thank you in advance for your important and swift contribution.

All the best for 2008,
See you in Sapporo!
